- B. *Whether the strict application of the district requirements would result in great practical difficulties of hardship to the applicant, and present a reasonable return on the property; and*
- C. *Whether the proposed variance is the minimum deviation from such requirements that will alleviate the difficulties/hardship, and allow a reasonable return on the property; and*
- D. *Whether the plight of the applicant is due to peculiar circumstances not of his own making; and*
- E. *Whether the peculiar circumstances engendering the variance request are applicable to other property with the district, and therefore, that a variance would be a more appropriate remedy than an amendment (rezoning); and*
