**PUBLIC PARTICIPATION**

**Ken Smith**

Mr. Smith stated he would like to notify the council he received a notice in his door on Monday morning indicating the city engineer and his people were going to clear cut 3 acres of woods that are literally twenty feet from his back door and build a detention pond. This is the first he had

heard of it. This is to address flooding issues in the Orchards. There was a study done three years ago by the homeowners association, which he is a member of. He hopes the city engineer and their people will look at better solutions than building a three acre detention pond twenty feet from his back door.

Mr. Smith is active duty Air Civil Engineer for twenty six years and he has dealt with storm water throughout his career and he does not think this is the best solution. They refer to Illinois Department of Natural Resources permit which he still has not seen which required this detention basin which was to be built fifteen-twenty years ago when the Orchards was built and long before Bobby Jones Court was there.

*City Attorney Hoerner stated this issue is a matter of pending litigation; therefore, what can be discussed is limited. The homeowners association is represented by an attorney. The homeowners association and Illinois Department of Natural Resources initiated individual action against the city for enforcement of a permit that was actually issued to the original developers of the Orchards subdivision and the city was merely a co-permitee to provide secondary maintenance for the water mitigation efforts. Unfortunately, the original developer is now defunct. This detention basin which was originally contemplated under the permit was not built. Illinois Department of Natural Resources and the homeowners association are attempting to enforce the permit against the city. City Attorney Hoerner suggested Mr. Smith or any other members of the homeowners association communicate with your representatives from the homeowners association and your attorney.*

Mr. Smith stated this is a \$500,000 project and the taxes being raised will be discussed; therefore, \$500,000 might be better spent more wise than building a pond in his backyard.

### **Michael Hagberg**

There is an ordinance abating the bond payments for the property tax levy. The required bond payments were never listed on the levy. He would contend that the required bond payment should first appear on the levy before being abated. All you are accomplishing by this by not listing them is to hide from the public that this year alone we are paying \$2.8 million toward outstanding bond balance of \$41 million. The aldermen have details listing the initial amount borrowed but no information on the required principal and interest payments. This year alone we are paying \$1 million in interest payments. That is \$1 million that is not available for street or sidewalk repair. This is just interest on passed projects.

He read in the BND that the mayor plans on using general assistance funds to make building improvements to the Parks and Rec office. He hopes this is another case of "fake news". As the city promised with the city hall remodel is to consolidated all city functions under one roof. These funds were levied with the express use of providing assistance for the poor. In his opinion, using these funds for anything other than assisting the poor would be misappropriation of tax payer funds. As far as the comments made for the general assistance levy - he reminds you a few years ago the township had a levy of \$488, 000. A few trustees showed they could reduce it to \$264,000 while maintaining existing general assistance funding and increasing funding for community projects. Overall, he is pleased with the city keeping the \$264,000

general assistance levy as this is the city's first year of assuming the responsibilities from the township and there were additional expenses due to the delay with city hall remodel.

Can you tell us is the \$1 million increase is a one-time deal or can the taxpayers expect to see another increase above and beyond a million dollars in next year's tax levy.

**Kathy Draper**

The neighborhood situation was in control when Officer Ellis was on staff, Eiskant had it under control and now she hears it is not a priority with the police department. A car cannot sit longer than 78 hours on a city street. It takes the city two to three weeks for the city to come out. There are nine cars on Bunsen and 19th Street for one house. There is a commercial business being ran in a residential neighborhood. This needs to be stopped, the cars need to be stopped and if he wants to run a business then he should have a business license. She called the aldermen and police and left messages. She heard from one of the aldermen and they advised this is not a high priority.

She was told by an alderman that the person running the business has a wood stove sitting outside and it should have a flu and is considered a fire pit.

**Stewart Lannert**

He is not running in a popularity contest and probably the most disliked person in Belleville. When you have too many police you have to pay high priced pensions and then you have to raise the taxes to pay the pensions. The police do not stop crime they just investigate after it is committed. The metal detector is unconstitutional as he has been through many background checks but have the aldermen and city workers and city officials. There are a lot of homeless people in Belleville and nowhere for them to sleep.

Members voting aye on roll call: Hazel, Kinsella, Pusa, Buettner, Randle, Tyler, Anthony, Ovian, Schaefer, Dintelman, Gaa, Stiehl and Barfield. (13)

\*\*\*

Alderman Kinsella made a motion seconded by Alderwoman Pusa to approve the 2017 Tax Levy.

*Discussion...*

Alderman Buettner stated he has received calls from constituents that are upset with a 12% increase in their property taxes. There are older citizens that are on fixed incomes; therefore, this becomes a burden. Alderman Buettner asked if there are other ways to fund the pensions without sales tax.

Mayor Eckert stated criticism comes up every couple years when there is an increase never once has he seen anyone come forward with a recommendation on how else it can be funded. Mayor Eckert stated the city has funded the pensions with property tax and has been going on since the pensions began. In 1997 the State of Illinois passed a statute that said cities must fund police/fire pensions to the level of the actuary. The past administration underfunded pensions. If you choose not to pass the levy the State of Illinois comptroller's office can and will hold the cities fund i.e. income tax which would have a direct correlation to the general fund which would mean the salaries for police/fire.

City Attorney Hoerner stated the statute that contemplates this type of funding expressly property tax funding and if the council would want to look at an alternative it would have to be determined if it would be a proper exercise of home rule authority in addition of investigating of how to fund it. This mechanism is the statutory mechanism of funding. Alderman Buettner asked under home rule the city can come up with an alternative; City Attorney Hoerner stated if and when you would like to investigate alternatives the city would have to ensure that it is a proper exercise of home rule authority. Alderman Buettner stated the State of Illinois wants to tax and spend in which they are in a flux and seems the city is going down the same road which doesn't make it right. Mayor Eckert stated he will gladly entertain alternatives. This past year the city was down \$1.1 million because of the money that was passed through the state. \$500,000 was from income tax alone due to the people/business that have left the state. Motor fuel tax is based on population which was down. Alderman Ovia recommended consolidating the pension funds and have one representing everyone. Mayor Eckert stated he sent an email from IML in which IML submitted five (5) proposal to the legislative bodies for consideration on how to improve pension reform.

Alderman Randle stated the city is being handcuffed by state mandates which is just not on residents of Belleville but residents throughout the state. Alderman Randle stated the city is looking at a change in state law or a change in the funding mechanism.

Alderman Tyler stated the city wants to raise taxes 11.98% which is \$1.2 million. The EAV is expected to go up in 2018. If the EAV goes up would theoretically give the city more money. Would there need to be a percentage or would it just be the \$1.2 million. City Attorney Hoerner stated this is an aggregate levy. City Attorney Hoerner stated the finance department has couched the increase tax levy in the terms required under the law based on the information available.

Alderman Kinsella stated the city got into this predicament because people before kicked the can down the road. The city has gotten here because someone else didn't do their job. If the council does not vote for the levy this council is kicking the can further down the road. Our job is to set it back in the right direction.

Mayor Eckert stated he entered the council in 1997 when the statute changed and he is proud to say the city has funded the pensions properly and adequately since 1997; however, prior to that there were many years where the actuary was given and the city would only fund 50-60%. The elected officials at that time could say they did not raise taxes.

**WHEREAS**, in examining the grant of home rule authority in the Illinois Constitution, Illinois courts have noted that the “intentionally imprecise language grants local governmental units ‘the broadest powers possible’” *Palm v. 2800 Lake Shore Drive Condominium Ass’n*, 2013 IL 110505 ¶ 108; and

**WHEREAS**, in line with the Constitutional Convention’s stated intent, Illinois courts have interpreted home rule authority broadly in the face of judicial activism, “the intent and purpose of the home rule provisions in the Illinois Constitution is to severely limit the judiciary’s authority to

preempt home rule powers of municipalities through judicial interpretation of unexpressed legislative intent” *City of Oakbrook Terrace v. Suburban Bank and Trust Co.*, App. 2 Dist.2006; and

**WHEREAS**, home rule municipalities have been granted the constitutional authority to enact regulatory ordinances, “municipalities which have populations of more than 25,000 are home-rule units and may enact ordinances pertaining to municipal employees which conflict with State statutes concerning same matters,” *Burgess v. Board of Fire & Police Com’rs of City of Quincy*, 209 Ill.App.3d 821; and

**WHEREAS**, the Public Safety Employee Benefits Act (“PSEBA” or “Act”) was enacted in 1997 to provide free health insurance benefits when a “full-time law enforcement, correctional or correctional probation officer, or firefighter, who ... suffers a catastrophic injury or is killed in the line of duty” (820 ILCS 320/10(a)); and

**WHEREAS**, Illinois courts have noted that “although the legislature made [PSEBA benefits] contingent upon the existence of a ‘catastrophic injury,’ the Act nowhere defines ‘catastrophic injury’” (*Krohe v. City of Bloomington*, 204 Ill. 2d 392, 395 (2003)); and

**WHEREAS**, pursuant to *Pedersen v. Village of Hoffman Estates*, 2014 IL App. 4<sup>th</sup> 160747, the City has the right to establish an “administrative procedure for assessing claims without acting in a manner inconsistent with the requirements of the Act” (*Id.* at ¶ 37), including the ability to use home rule authority to enact an ordinance that would determine, assess, and outline the administrative process for assessing eligibility under PSEBA; and

**WHEREAS**, the City, under its home rule authority and pursuant to *Pedersen* has “the authority to establish an administrative procedure for determining claims for benefits under the Act,” (at ¶ 63); and

**WHEREAS**, as a result of the decision in *Pedersen*, the City now desires to adopt the following ordinance and finds that this is in the best interest of the citizens’ health, safety, and welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BELLEVILLE, ILLINOIS:

**Section 1.** AMENDMENT. Chapter 33 (Public Safety; Law Enforcement) is hereby amended by adding Section 33.101 through 33.106 as follows:

**ADMINISTRATIVE PROCEDURE FOR  
ASSESSING AND DETERMINING CLAIMS UNDER PSEBA**

**§33.101 PURPOSE.**

The purpose of this administrative procedure is to provide a fair and efficient method for determining the eligibility of a full-time employee for the benefits enumerated under the Illinois Public Safety Employee Benefits Act (PSEBA) (820

ILCS 320/1 *et seq.*) through an administrative process, including if necessary, an administrative hearing.

**§33.102 DEFINITIONS.**

For the purpose of this Ordinance, the following terms will have the following meanings (as derived from the federal Public Health and Welfare Act, which was enacted in 1944 and amended in 1984 to define, by inclusion or reference, the following terms).

Catastrophic injury	An injury, the direct and proximate consequences of which permanently prevent an individual from performing any gainful work.
Gainful work	Full- or part-time activity that actually is compensated or commonly is compensated.
Injury	A traumatic physical wound (or a traumatized physical condition of the body) directly and proximately caused by external force (such as bullets, explosives, sharp instruments, blunt objects, or physical blows), chemicals, electricity, climatic conditions, infectious disease, radiation, virii, or bacteria, but does not include— (1) Any occupational disease; or (2) Any condition of the body caused or occasioned by stress or strain.

**§33.103 APPLICATION PROCEDURE.**

As noted by the Court in *Pedersen v. Village of Hoffman Estates*, 2014 IL App. 4<sup>th</sup> 160747, “the Act, however, does not provide any guidance on the proper procedure for seeking [PSEBA] benefits.” ¶ 37. Accordingly, the application procedure of this Section establishes guidance on the proper procedure for Public Safety Officers seeking PSEBA benefits in the City.

- A. Public Safety Officers, or family member(s) of an injured or deceased Public Safety Officer, (“Applicant”) must file a full and complete PSEBA application in writing within thirty (30) days of filing a pension claim with

the City or within thirty (30) days of the date of the adoption of this Ordinance in the event that an Applicant has filed for a PSEBA claim prior to the date of adoption of this Ordinance, whichever is later, if the Applicant is seeking benefits under PSEBA. The City shall notify Applicant if the PSEBA application is incomplete and Applicant shall have five (5) days to remedy their application. Failure to timely file the full and complete application shall result in a forfeiture of the benefits under PSEBA by failure to properly submit a complete application.

- B. A complete PSEBA application includes the following:
1. The name of the Applicant, date of hire, detailed information regarding the incident, including information relating to how the injury was sustained in the line of duty (date, time, place, nature of injury, and other factual circumstances surrounding the incident giving rise to said claim);
  2. The Applicant's firsthand knowledge explaining, to the City's satisfaction, how the injury/death directly resulted from:
    - a. Response to fresh pursuit;
    - b. Response to what is reasonably believed to be an emergency;
    - c. Response to an unlawful act perpetrated by another; or
    - d. Participation during the investigation of a criminal act;
  3. A signed PSEBA medical authorization release which authorizes the collection of information related to the incident including, but not limited to, disability pension proceedings, worker's compensation records, and medical records and specifies the name and address for pertinent health care provider(s);
  4. A signed PSEBA general information release specifying the name and signature of the Applicant or her/his authorized representative along with legal proof of said representation and name and signature of witness authorizing the collection of information pertinent to the incident review process;
  5. The name(s) of witnesses to the incident;
  6. The name(s) of witnesses the Applicant intends to call at the PSEBA hearing;
  7. Information and supporting pension documentation filed with the appropriate pension board;
  8. Information supporting the PSEBA eligibility requirements; and

9. Other sources of health insurance benefits currently enrolled in or received by the Applicant and/or family members if the Applicant is deceased.
- C. The PSEBA application must be submitted to the City Human Resources Department in its entirety.
- D. The PSEBA application must be sworn and notarized to certify the truthfulness of the content of the information. A review of the application shall not occur until the application is complete.
- E. On the date that the PSEBA application is deemed complete by the City, the completed application shall then be submitted to the City as the Preliminary Record, and a copy of the same shall be date stamped and provided to the Applicant.
- F. Upon receipt of a complete application for PSEBA benefits, the City shall set the matter for an administrative hearing before a hearing officer to make a determination on whether to grant the Applicant PSEBA benefits based on the result of the administrative hearing.
- G. The Applicant will be given written notice of the date for the scheduled administrative hearing to be served not less than ten (10) days prior to the commencement of the hearing. If the Applicant, upon receiving written notice of the administrative hearing, cannot attend said date, the Applicant must contact the hearing officer in writing within seven (7) days after being served. The hearing officer shall establish an alternative hearing date which is within thirty (30) days of the original hearing date. Failure to appear at the administrative hearing shall result in denial of PSEBA benefits.

#### **§33.104 ADMINISTRATIVE COMPOSITION.**

The administrative hearing shall be scheduled and conducted by a hearing officer whose authority and limitations are as follows:

- A. *Authority of the hearing officer.* The hearing officer shall have all of the authorities granted to her/him under common law relative to the conduct of an administrative hearing, including the authority to:
  1. Preside over City hearings involving PSEBA;
  2. Administer oaths;
  3. Hear testimony and accept evidence that is relevant to the issue of eligibility under PSEBA;

4. Issue subpoenas to secure attendance of witnesses and the production of relevant papers or documents upon the request of the parties or their representatives;
  5. Rule upon objections in the admissibility of evidence;
  6. Preserve and authenticate the record of the hearing and all exhibits in evidence introduced at the hearing; and
  7. Issue a determination based on the evidence presented at the hearing, the determination of which shall be in writing and shall include a written finding of fact, decision and order.
- B. *Hearing officer.* The Mayor, with the advice and consent of the City Council, is hereby authorized to appoint a person to hold the position of hearing officer for each hearing on PSEBA benefits that shall come before this City. In making said selection, the following information should be considered, at a minimum:
1. The individual's ability to comply with the job description as set forth herein; and
  2. The individual must be an attorney licensed to practice law in the State of Illinois and have knowledge of and experience in employment and labor law, general civil procedure, the rules of evidence, and administrative practice.

### **§33.105 ADMINISTRATIVE HEARING.**

The system of administrative hearings for the determination of eligibility for benefits under PSEBA shall be initiated either by the City or by the Applicant after the submission of a full and complete PSEBA application. An administrative hearing shall be held to adjudicate and determine whether the Applicant is eligible for benefits under PSEBA. If the Applicant is found eligible, the benefits shall be consistent with the Act.

- A. *Record.* The City shall ensure that all hearings are attended by a certified court reporter and a transcript of all proceedings shall be made by said certified court reporter and a copy be provided to the Applicant within twenty-eight (28) days of the date of the administrative hearing.
- B. *Procedures.* The City and the Applicant shall be entitled to representation by counsel at said administrative hearing and present witnesses, testimony and documents, may cross-examine opposing witnesses, and may request

the issuance of subpoenas to compel the appearance of relevant witnesses or the production of relevant documents.

- C. *Evidence.* The Illinois Rules of Evidence shall apply to the extent practicable unless, by such application, the Hearing Officer determines that application of the rule would be an injustice or preclude the introduction of evidence of the type commonly relied upon by a reasonably prudent person in the conduct of her or his affairs. Such determination shall be in the sole discretion of the Hearing Officer. The Hearing Officer must state on the record her or his reason for that determination.
- D. *Final Determination.* A written determination by the hearing officer of whether the petitioning Applicant is eligible for the benefits under PSEBA shall constitute a final administrative determination for the purpose of judicial review under the common law writ of certiorari.
- E. *Burden of Proof.* At any administrative hearing, the Applicant shall have the obligation and burden of proof to establish that the Applicant is eligible and qualified to receive PSEBA benefits. The standard of proof in all hearings conducted under this Ordinance shall be by the preponderance of the evidence.
- F. *Administrative Records.* All records pertaining to the administrative process shall be held in a separate file under the Applicant's name with the City.

### **§33.106 CERTIFICATION OF ANY CONTINUING ELIGIBILITY**

Any person eligible for and receiving benefits under PSEBA shall at least annually complete and deliver to the Office of Human Resources a form provided by the City certifying the nature and extent of any continuing eligibility for such benefits, including but not limited to identity of spouse and dependents, current employer(s), and other health insurance available. Such certification shall be made subject to Section 10(a)(2) and 10(a)(3) of the PSEBA (820 ILCS 320/10(a)(2), (3)).

**Section 2.** SEVERABILITY. If any provision of this Ordinance or application thereof to any person or circumstance is ruled unconstitutional or otherwise invalid, such invalidity shall not affect other provisions or applications of this ordinance that can be given effect without the invalid application or provision, and each invalid provision or invalid application of this Ordinance is severable.

**Section 3.** CONFLICT OF LAWS. Where the conditions imposed by any provisions of this Ordinance are more restrictive than comparable provisions imposed elsewhere in any other local law, ordinance, resolution, rule or regulation, the regulations of this Ordinance will govern.

**Section 4.** PUBLICATION OF ORDINANCE. The City Clerk shall publish this ordinance in pamphlet form.

**Section 5.** EFFECTIVE DATE. That this Ordinance shall be in full force and effect on January 1, 2018, *nunc pro tunc*.
