PUBLIC PARTICIPATION

Stewart Lannert

The Post Office is no longer going to deliver his mail because they do not like his signs. The signs have been there for over two years. Since when does the Post Office get to decide when they do not like someone's signs, so they won't deliver mail. When the two police officers retired there was nothing in the newspaper to mention the retirement. He did not stand for the Pledge of Allegiance because that is being called racist now. The National Anthem, the Pledge of Allegiance and the American Flag have now been labeled as racist by the good fortune of the Democratic Party. Mayor Gregory admonished Mr. Lannert.

Gigi Dowling Urban

She advised she works for the City; however, she is speaking in the capacity as a Belleville resident. She had the pleasure of talking before the Zoning Committee several weeks ago and thanked the Committee for their unanimous denial for the zoning variance for JTC at the old Lynx Lodge. It was a vote for our public-school districts who could be decimated if that facility was opened. She hopes the full Council will ratify it tonight. She has been an advocate for her entire career and has empathy for the trauma they have endured. Part of her advocacy is safeguarding

precious school resources for all children. It is her understanding that the proposed facility will house up to sixty (60) children who are presently under the guardianship of Children and Family Services and approximately 70% have IEPs. Given the extraordinary trauma many of these young people have experienced it is likely many will require significant amounts of special education support which the resident districts must provide. Under the Illinois School Code and the Orphanage Act regardless of where they come from or where their parents may still reside the district is responsible for paying those services where the students reside.

If this Zoning variance is approved, it will be Districts 201 and 118. While many of the costs will eventually be reimbursed by the State there is no guarantee and the districts will have to upfront those monies and be reimbursed the following year. The expenses may not only be limited to educational costs but might also include room/board and transportation costs.

JTC staff stated at the last meeting the costs would not be responsibility of local public-school districts per their contractual agreement with DCFS. Her question would be...does their application include a copy of that contractual agreement, if it didn't, she has not seen written assurances of who covers room and board; however, neither has City Council.

As a hypothetical situation let's say the educational cost of room/board, transportation would be \$30k a student, which is very conservative times 45 (the estimated students with IEPs) the upfront costs to the districts this year could be in excess of \$1,350,000 and those monies would be needed this year. If JTC is correct and that housing is not included, then the education cost alone would be at \$900,000. Think of your local school districts scrambling to adjust their budgets to absorb these costs. Although most of the money will be reimbursed the following year those reimbursements are typically prorated and she was told by a local school CFO, not 118 or 201, those reimbursements for the last several years have only been 78% not the 100% that has been promised by the State.

If students do not require public day school services, the district will still have to stretch existing resources or hire additional staff which in July could be problematic and if JTC services at their own school JTC could bill the districts for their services.

Our fine school districts have always risen to the challenge of meeting the needs of special students; however, given our City's current support of two existing residential facilities we have done our fair share.

She encourages the Council to ratify the denial of the Zoning Committee.

Kent Agne

Thanked the City for the trash clean-up on Old Caseyville Road just North of 161. His son emailed Alderman Randle and Alderman Ferguson about the extensive litter that had been mowed and shredded by another community's mowers. Three days later it was cleaned-up. Belleville has the resources to keep our City looking beautiful.

Along those lines he is present to address a City dumping facility that exists at 2115 South Charles Street. This location is adjacent to the City Sanitation Garage on Freeburg Avenue directly across

the street from several homes including his parent's residence of over sixty (60) years. Some of you may recall he addressed the Council on April 20, 2020. The materials being dumped there are street sweepings and tree trimmings include trunks of trees that are approximately 3 feet in diameter. The problems were acknowledged verbally at the meeting. In the minutes of the meeting it was stated that the City plans on hauling out the refuse from the street sweepers. He mentioned the IEPA had informed him that the street sweeping material is required to go to a landfill and this was acknowledged by former Mayor Eckert.

Since then the amount of debris at the site has increased considerably and the street sweepings have not been removed. Perhaps it would be more effective if he addressed the matter with the Mayor, the Director of Public Works and/or relevant committees but it his hope there will be some support among City leaders for acting sooner rather than later.

The City using this as a convenient dumping site is not tenable as it will eventually get bigger and it will need to be dealt with. It is hard to imagine anyone would think this is an acceptable situation and certainly would not be tolerated at a private residence within the City nor would it be tolerated on City property in any residential neighborhood.

A few points to consider (1) what is the future of this site if the dump continues to grow; (2) City Code permits tree trimmings within limits to be bundled and included with citizen's trash. Where do the trimmings go and why the trimmings at the dump could not be disposed of similarly; (3) has the removal, disposal of the tree trimmings from the dump site been studied in terms of costs; (4) while unauthorized dumping occurs there the biggest contributor to his knowledge is the City of Belleville; (5) the other side should be secured as it was agreed at the April 20, 2020 meeting. The chain at the primary entrance is rarely put up or locked.

UNFINISHED BUSINESS

Alderman Wigginton advised Clearwave is installing fiberoptic along West Main Street. Is the City inspecting the work; City Engineer Elkott advised the simple and honest answer is no, the City does not have the resources to inspect, he is aware of their work and has issued excavation permits; however, they have obtained an excavation permit. City Engineer Elkott stated if any Aldermen or resident decides the work that has been done is unsatisfactory, he will have no problem asking them to do right by the City of Belleville. Alderman Wigginton requested City Engineer Elkott to inspect six of the areas; City Engineer Elkott stated it is an excellent suggestion and will add it to his to do list.

Alderman Wigginton advised South 78th Street was used to shoot off fireworks in the middle of the street. Mayor Gregory suggested we might consider a City-wide celebration. Alderman Weygandt stated he does not mind fireworks but not two weeks prior/after to the 4th of July.

Alderman Ovian advised West Main has become a speedway from 74th Street & West Main to the bottom of the hill. Lt. Col. Eiskant advised they have received complaints regarding the speeding and has done some enforcement, but it comes back to resources and what should they be responding too.

Subject: Request to Discontinue Competitive Bid Process: Police Vehicles

Ma'am,

At the direction of the Chief of Police, I am submitting my recommendation that the City forgoes the 'fleet competitive bid process' and purchases the budgeted six police vehicles from the approved State bid contractor, Morrow Brother's Ford, for the 2021/2022 fiscal year.

We have purchased vehicles from the state bid contractor for the last three fiscal years, forgoing the bid process for the last two. This has saved the city time and wear on existing vehicles. The state bidder will also upfit the vehicles with equipment at their facility when the shipment arrives, which will cut out the necessity to involve third party vendors for equipment and installation. The cars will be delivered to us fully equipped and ready for the road.

I have included with this memo the pricing for the 2022 model year Ford SUV Interceptor and a full list of options and equipment to be installed. The price per vehicle is \$51,880.00. Thank you.

Respectfully,

MSgt. Sean M. Harris #209

By signing above I acknowledge that I am the Customer's authorized officer or agent and that I have the authority to bind Customer to this Agreement. Customer agrees to be bound by these terms and conditions, which is an integral part of this Agreement.

TERMS AND CONDITIONS

Stericycle, Inc., on behalf of itself and its subsidiary Shred-it USA LLC ("Shred-it") with offices at 28161 N. Keith Drive, Lake Forest, IL 60045 ("Shred-it"), and City of Belleville with offices at 101 S Illinois St, Belleville, IL 62220 ("Customer"), hereby enter into and agree as provided in this Services Agreement (the "Agreement") dated as of the 11th day of June, 20 20 (the "Effective Date).

1. **Document Destruction Services.** Shred-it will provide containers and related equipment ("Equipment") for the collection and storage of Customer's paper and other agreed upon materials ("CCM") as set forth on page 1 of this agreement (the "Services"). The number of containers will be determined by Shred-it. Shred-it will: (i) collect the CCM on a regularly scheduled and mutually agreed basis and (ii) destroy the CCM using a mechanical device (the "Destruction Process"). (iii) Shred-it will provide Customer with a Certificate of Destruction if requested by Customer. (iv) Shred-it will recycle or otherwise dispose of the CCM. (v) Customer shall not place in any Equipment any hazardous waste, any material that is highly flammable, explosive, toxic, a biohazard, medical waste, or radioactive, or any material that is illegal or unsafe. Customer shall be liable for and shall indemnify, defend and hold harmless Shred-it and its affiliates from and against all demands, claims, actions, losses, damages, and expenses, including reasonable attorney fees resulting from the placement of any prohibited materials in any Equipment. (vi) During the Term, Shred-it shall be the exclusive provider of the Services to Customer at all of its locations.

2. **Term of this Agreement.** (a) The initial term of this Agreement (the "Initial Term") will begin on the Effective Date set forth above and continue for Thirty Six (36) months. This Agreement will automatically renew for successive terms of 60 Days (each, an "Extension Term"), unless either party gives the other party at least 60 days' written notice, prior to the renewal date, of its request to terminate this Agreement. The Initial Term and each Extension Term, if any, are collectively referred to as the "Term". (b) Upon the expiration or termination of this Agreement, Customer shall pay Shred-it all amounts due for services and products provided prior to the expiration or termination (and any other amounts due to Shred-it, which may include a final pickup fee). (c) Shred-it shall have the right to retrieve its Equipment from Customer wherever located.

3. **Pricing.** Customer shall pay to Shred-it the service fees set forth on page 1 ("Service Fees") which will be fixed for the first year of the Initial Term. Thereafter, Shred-it reserves the right, in its sole discretion, to increase the amount of each Service Fee or add additional charges from time to time. Shred-it will provide notice of any change in the Service Fees to Customer, which notice may be in the form of an invoice. Customer may reject any changes to the Service Fees within 30 days of the first invoice date reflecting new pricing. Shred-it will have the option to terminate this Agreement, without penalty to Customer, if Customer rejects any pricing adjustment or additional charges.

4. **Payment Terms.** Customer shall pay in full each Shred-it invoice within 30 days of the date of such invoice. Any invoiced amounts not received by Shred-it within that timeframe will be subject to an interest charge of 1.5% per month (or the maximum amount allowed by law). Customer shall reimburse Shred-it for all costs that it incurs in collecting overdue amounts from Customer. Shred-it may, with notice, suspend services until any overdue amounts (plus interest charges and collection fees, if any) are paid. Customer shall also pay all taxes imposed by any governmental authority with respect to the purchase of any services and products hereunder, including all sales, use, excise, occupation, franchise and similar taxes and tax-like fees and charges (but excluding all taxes on Shred-it's net income). Shred-it will cooperate with Customer to determine the applicability of exemption certificates, if any, that Customer provides in a timely manner to Shred-it.

5. **Ancillary Charges.** Customer agrees to pay ancillary charges according to the then-current Schedule of Ancillary Charges at www.shredit.com ("Schedule"), which is incorporated by reference as if fully set forth herein and is subject to change from time to time in Shred-it's discretion.

6. **Fuel, Energy, Environmental and/or Other Surcharge.** Customer agrees that (a) Shred-it may, upon notice, at any time and from time to time, impose and adjust a fuel, environmental and/or other surcharge of any amount for any duration, all in its sole discretion; (b) notice of any surcharge may be in the form of an invoice; and (c) any surcharge may, from time to time, result in additional profit for Shred-it.

7. **Early Termination.** In the event that Customer terminates this Agreement prior to the expiration of the Term other than as set forth in Section 8 Customer shall promptly pay Shred-it (a) all unpaid invoices and any late charges thereon; and (b) an amount equal to 50% of Customer's average monthly charge multiplied by the number of months (including any partial months) remaining until the expiration date of the Term.

8. **Default and Early Termination for Cause.** Either party may immediately terminate this Agreement, in whole or in part, upon written notice to the other party if the other party breaches any material provision of this Agreement and fails to cure such breach within thirty (30) days following receipt of written notice of such breach. Documented service or performance deficiencies by Shred-it or nonpayment by Customer of amounts rightfully owed to Shred-it or Customer's failure to comply with Shred-it policies related to the Services shall constitute a material breach.

9. **Limitation of Liability.** In no event shall either party be liable for any indirect, exemplary, punitive, special, incidental or consequential damages, or lost profits, lost revenue, lost business opportunities or the cost of substitute items or services under or in connection with this Agreement. Shred-it's aggregate liability, if any, arising under this Agreement or the provision of Services to Customer is limited to the amount of the Service Fees received by Shred-it from Customer under the Agreement during the preceding twelve (12) month period prior to the alleged liability.

10. **Confidentiality.** Customer agrees to not disclose to any third parties Shred-it pricing, policies and procedures. Shred-it will keep confidential all CCM and any other confidential information provided to Shred-it in connection with this Agreement and will use the same solely for the purposes provided in this Agreement. As used herein, "confidential information" means any information provided to Shred-it in confidence that relates to Customer's property, business and/or affairs, other than (i) information that is or has become publicly available due to disclosure by Customer or by a third party having a legal right to make such disclosure and (ii) information previously known to Shred-it free of any obligation to keep it confidential prior to receipt of the same from Customer.

11. **Compliance with Laws and Policies.** Each party shall comply with all laws, rules and regulations applicable to its performance hereunder.

12. **Excuse of Performance.** Neither party will be responsible if its performance of any act(s) required hereunder (other than the payment of any amounts due) is interrupted or delayed due to any reason beyond its reasonable control.

13. **Equipment.** Customer shall have the care, custody and control of any Equipment owned by Shred-it and placed at Customer's premises and accepts responsibility and liability for the Equipment and its contents. Any damage or loss to such Equipment, other than normal wear and tear, will be charged to Customer at full replacement value.

14. **Brokers.** Shred-it reserves the right to deal solely with the Customer and not with any third party agents of the Customer for all purposes relating to this Agreement. Customer represents and warrants to Shred-it that it is acting for its own account and not through a broker or agent. Shred-it shall be entitled to terminate this agreement and seek all available legal remedies, including but not limited to liquidated damages, in the amount set forth herein for Customer's breach of this representation and warranty.

15. **Miscellaneous.** (a) This Agreement constitutes the entire agreement between the parties relating to the subject matter of this Agreement and supersedes any prior agreements and arrangements between the parties. (b) This Agreement may be modified only by a written amendment signed by an authorized representative of each party. (c) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, legal representatives and heirs; provided, however, that Customer may not assign its rights or delegate its obligations under this Agreement without the prior written consent of Shred-it. (d) Shred-it's relationship with Customer is that of an independent contractor, and nothing in this Agreement shall be construed to designate Shred-it as an employee, agent or partner of or a joint venture with Customer. (e) Any dispute arising in connection with or relating to this Agreement or between the parties ("Disputes") that the parties are unable to resolve informally, such as via discussion and negotiation between the parties, shall solely and exclusively be resolved by binding and final arbitration before the American Arbitration Association ("AAA"), conducted pursuant to the Federal Arbitration Act (as the parties acknowledge that the services provided involve interstate commerce). All Disputes will be determined on an individual basis (and not as a class member or in any purported class or representative capacity, considered unique as to its facts, and shall not be consolidated in any arbitration or other proceeding with any claim or controversy of any other party, and the arbitrator or trier of fact shall not preside over any form of representative or class proceeding. The exclusive jurisdiction and forum for resolution of any Dispute shall be by arbitration, which shall take place in the state where Customer is located at the closest AAA office. (f) The failure of either party to insist upon the performance of any provision hereof, or to exercise any right granted under any provision hereof, will not be construed as waiving that provision or any other provision, and the provision will continue in full force and effect. (g) No term or condition contained in a Customer purchase order or any other invoice acknowledgment shall be binding upon Shred-it unless agreed to by Shred-it in writing. (h) Each provision of this Agreement must be interpreted in a way that is valid under applicable law. If any provision is held invalid, the rest of the Agreement will remain in full force and effect. 2.0 RESERVED

3.0 STANDARDS OF PERFORMANCE

3.1 The standard of care for all professional services performed or furnished by CONSULTANT under this Agreement will be the care and skill ordinarily used by members of the respective profession practicing under similar circumstances at the same time and in the same locality. CONSULTANT makes no warranties, express or implied, under this Agreement or otherwise, in connection with CONSULTANT's Services.

3.2 CONSULTANT shall be responsible for the technical accuracy of its Services and documents resulting therefrom, and CLIENT shall not be responsible for discovering deficiencies therein. CONSULTANT shall correct any deficiencies CLIENT discovers without additional compensation except to the extent such action is directly attributable to deficiencies in CLIENT-furnished information.

3.3 CONSULTANT shall perform or furnish professional services in all phases of the Project to which this Agreement applies. CONSULTANT shall serve as CLIENT's prime professional for the Project. CONSULTANT may employ such subconsultants as CONSULTANT deems necessary to assist in the performance or furnishing of the Services. CONSULTANT shall not be required to employ any subconsultants unacceptable to CONSULTANT.

3.4 CONSULTANT and CLIENT shall comply with applicable laws or regulations and Client-mandated standards. This Agreement is based on these requirements as of its Effective Date. Changes to these requirements after the Effective Date of this Agreement may be the basis for modifications to CLIENT's responsibilities or to CONSULTANT's scope of services, time of performance, or compensation.

3.5 CLIENT shall be responsible for, and CONSULTANT may rely upon, the accuracy and completeness of all requirements, programs, instructions, reports, data, and other information furnished by CLIENT to CONSULTANT pursuant to this Agreement. CONSULTANT may use such requirements, reports, data, and information in performing or furnishing services under this Agreement.

3.6 CONSULTANT shall not be required to sign any documents, no matter by whom requested, that would result in CONSULTANT's having to certify, guarantee or warrant the existence of conditions whose existence CONSULTANT cannot ascertain.

CLIENT agrees not to make resolution of any dispute with CONSULTANT or payment of any amount due to CONSULTANT in any way contingent upon CONSULTANT's signing any such certification.

3.7 CONSULTANT shall not be responsible for the acts or omissions of any contractor(s), subcontractor or supplier, or any of the contractor's agents or employees or any other persons (except CONSULTANT's own employees) at the site or otherwise furnishing or performing any of the contractor's work; or for any decision made on interpretations or clarifications of any contract for construction, general conditions, supplemental conditions, change orders, and related documents (the "Contract Documents") given by CLIENT without consultation and advice of CONSULTANT.

3.8 All opinions of probable construction cost to be provided by CONSULTANT shall represent the best judgement of CONSULTANT based upon the information currently available and upon CONSULTANT's background and experience with respect to projects of this nature. It is recognized, however, that neither CONSULTANT nor the CLIENT has control over the cost of labor, materials or equipment, over contractor's method of determining cost of services, or over competitive bidding, market or negotiating conditions. Accordingly, CONSULTANT cannot and does not warrant or represent that the proposals or construction bids received will not vary from the cost estimates provided pursuant to this Agreement.

4.0 AUTHORIZED PROJECT REPRESENTATIVES

Contemporaneous with the execution of this agreement, CONSULTANT and CLIENT shall designate specific individuals to act as CONSULTANT's and CLIENT's representatives with respect to the Services to be performed or furnished by CONSULTANT and responsibilities of CLIENT under this Agreement. During the performance of the Services herein provided for, CONSULTANT shall be responsible for any loss or damage to the documents which it caused, herein enumerated, while they are in its possession and any such loss or damage shall be restored at its expense. Full access to the Services during the progress of the Services shall be available to CLIENT. The CLIENT agrees, to the fullest extent permitted by law, to defend, indemnify and hold harmless the CONSULTANT, its officers, directors, employees

and subconsultants (collectively, "CONSULTANT") against any damages, liabilities or costs, including reasonable attorneys' fees and defense costs arising from, or allegedly arising from or in any way connected with, the unauthorized reuse or modification of the documents by CLIENT or any person or entity that acquires or obtains the documents from or through the CLIENT without the written authorization of CONSULTANT.

Under no circumstances shall the transfer of ownership of CONSULTANT's drawings, specifications, electronic files or other instruments of service be deemed a sale by CONSULTANT, and CONSULTANT makes no warranties, either express or implied, of merchantability and fitness for any particular purpose, nor shall such transfer be construed or regarded as any waiver or other relinquishment of CONSULTANT's copyrights in any of the foregoing, full ownership of which shall remain with CONSULTANT, absent CONSULTANT's express prior written consent.

6.0 ELECTRONIC MEDIA

Data, words, graphical representations and drawings that are stored on electronic media such as computer disks and magnetic tapes, or which are transmitted electronically, may be subject to uncontrollable alteration. against any and all costs, losses, and damages (including but not limited to all reasonable fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CONSULTANT or CONSULTANT's officers, directors, partners, employees, and its subconsultants in the performance and furnishing of CONSULTANT's services under this Agreement.

- 9.2 To the fullest extent permitted by law, CLIENT shall indemnify and hold harmless CONSULTANT, CONSULTANT's officers, directors, partners, employees and CONSULTANT's subconsultants from and against any and all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CLIENT or CLIENT's officers, directors, partners, employees, and CLIENT's consultants with respect to this Agreement or the Project.
- 9.3 To the fullest extent permitted by law, CONSULTANT's total liability to CLIENT and anyone claiming by, through, or under CLIENT for any cost, loss, or damages caused in part by the negligence of CONSULTANT and in part by the negligence of CLIENT or any other negligent entity or individual, shall not exceed the percentage share that CONSULTANT's negligence bears to the total negligence of CLIENT, CONSULTANT, and all other negligent entities and individuals and shall not exceed the appropriate insurance coverage limits set forth under Item 13.0 of Section V of this Agreement.
- 9.4 In addition to the indemnity provided under Paragraph 9.2 above, and to the fullest extent permitted by law, CLIENT shall indemnify and hold harmless CONSULTANT and its officers, directors, partners, employees, and CONSULTANT's consultants from and against all costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) to the extent caused by the presence at the site of asbestos, polychlorinated biphenyls, petroleum, hazardous waste (42 USC Sec. 6903) or radioactive materials (42 USC Sec. 2011) in such quantities or circumstances that may represent a substantial danger to persons or property exposed thereto in connection with the Work (the "Hazardous Environmental Condition"), provided that (i) any such cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than completed Work), including the loss of use resulting therefrom, and (ii) nothing in this Paragraph 9.4 shall obligate CLIENT to indemnify any individual or entity from and against the consequences of that individual's or entity's own negligence or willful misconduct.

9.5 CONSULTANT shall not be responsible for the means, methods and techniques of any construction contractor in the prosecution of its work on a project for which CONSULTANT provides services, nor for the construction contractor(s)' and their subcontractor's safety programs, training or compliance with safety requirements of any federal or state agency.

9.6 Notwithstanding any other provisions of this Agreement to the contrary, CONSULTANT's officers, directors, shareholders, partners, employees or agents shall not be personally liable, regardless of the cause of action asserted including breach of contract, warranty guarantee, products liability, negligence, tort, strict liability, or any other cause pertaining to CONSULTANT's performance or non-performance of the Agreement. CLIENT will look solely to CONSULTANT for its remedy for any claim arising out of or related to this Agreement.

10.0 RESERVED

CONSULTANT shall be responsible for keeping the CLIENT currently advised as to the status of any claims made for damages against CONSULTANT which are known resulting from services performed under this Agreement. CONSULTANT shall send notice of claims related to Services under this Agreement to CLIENT within thirty (30) days.

12.0 DISPUTE RESOLUTION - JURISDICTION AND VENUE

If disputes arise between CLIENT and CONSULTANT during the course of the Project, or following completion of the Project, which are not resolved within three (3) weeks after a demand for direct negotiation, the parties agree that all disputes between them arising out or relating to this Agreement or the Project shall be submitted to non-binding mediation, unless the parties mutually agree otherwise, with mediation conducted in a location mutually agreed upon by all parties. If the parties do not agree on a mediator within ten (10) days after demand for mediation, either party may request the American Arbitration Association to appoint a mediator who shall be an attorney having substantial experience in construction law issues. If the mediator is unable to facilitate a settlement of disputes within forty-five (45) days of his/her appointment, the mediator shall issue a written statement to the parties to that effect and the aggrieved party may then seek relief through litigation. Any such litigation shall be resolved without the assistance of a jury, and each party hereby waives trial by jury in any claim whether in Agreement or tort, at law or in equity, arising out of or in any way related to this Agreement. If the parties are not able to settle the dispute through mediation, then it is understood that both parties hereto agree and consent to the exercise of jurisdiction over any matter or dispute arising in connection with this Agreement in a state court sitting in the state and county in which the project resides.

No right conferred on either party under this Agreement shall be deemed waived and no breach of this Agreement excused unless such a waiver or excuse shall be in writing and signed by the party claimed to have waived such right.

Jason and I talked yesterday about the new Thursday night bike events downtown. First conversation with Kathy Mordini was that this would be similar to the Belleville Running Club. Some people would meet and ride their bikes together. They've since decided they want the pedestrian barricades from the City and are using specific locations to start/stop and park their bikes in a parking stall.

So we decided we needed to take this through Council. I am placing on agenda for Monday evening.

Please review and return to me ASAP with your sign-off. A verbal or email works too

§ 31.007 IMPROVEMENTS.

Any work or public improvement which is not to be paid for in whole or in part by special assessment or special taxation, when the expense thereof will exceed ~~\$10,000~~25,000, shall be constructed either by contract let to the lowest responsible bidder after advertising for bids, in the manner prescribed by ordinance; except that, any such contract may be entered into by the proper officers without advertising for bids, if authorized by a vote of two-thirds of all the aldermen or trustees then holding office. Notwithstanding the foregoing, architects, engineers and land surveyors shall be contracted in accordance with the Illinois Local Government Professional Services Selection Act (50 ILCS 510/1 et seq.).

Section 2. **Section 34.005** is hereby amended by repealing Section 34.005 (Office of Purchasing) in its entirety, and substituting in lieu thereof Section 31.007 (Office of Purchasing), as follows:

§ 34.005 OFFICE OF PURCHASING.

(A) *Duties and responsibilities.*

(1) There is hereby established an Office of Purchasing under the direction of the Purchasing Agent and the office will be responsible to the Finance Director for the entire purchasing program.

(2) The office or designee shall have the following responsibilities, in addition to any others designated by the City Council:

(a) Act to procure all necessary supplies, materials and services subject to City Council approval, for the efficient operation of the city at the lowest possible cost;

(b) Discourage collusive or restrictive bidding and endeavor to obtain as full and open competition as possible on all purchases;

(c) Establish all rules and regulations authorized by this ordinance and amend, when necessary, with the approval of the City Council;

(d) Keep informed of current developments in the field of purchasing, prices, market conditions and new products, and keep abreast of the benefits of research done in the field of purchasing by: other governmental jurisdictions, national technical associations, trade associations having national recognition and by private businesses and organizations;

(e) Prescribe and maintain forms necessary to the operation of this ordinance;

(f) Prepare, adopt and maintain a vendor's catalog file; said catalog shall be filed according to materials and shall contain descriptions of vendor's commodities and prices;

(g) Exploit the possibilities of buying "in bulk" to take full advantage of discounts;

(h) Act to procure all federal and state tax exemptions to which the city is entitled;

(i) Cooperate with other personnel to secure the maximum efficiency in budgeting and accounting; and

(j) Declare as irresponsible those bidders or vendors who default on their quotations, and to disqualify them from receiving any business from the city for a stated period of time, as determined by the City Council.

(B) *Operation procedures.*

(1) All departments shall henceforth submit requisition orders to the Purchasing Office as the first step in procuring supplies, materials, services or equipment.

(2) The purchasing designee shall review each request form, have the authority to consult the Requesting Department, and make any necessary revisions. The designee must communicate with the Requesting Department before making any decision that deviates from the original request.

(3) When the estimated cost of materials, supplies and contractual services, except as otherwise provided herein, exceeds \$~~10,000~~25,000, they shall be purchased by sealed bids, formal bidding procedures, and from the lowest and best bidder after an adequate period of public notice.

(a) Any work or other public improvement which is not to be paid for in whole or in part by special assessment or special taxation, and supplied needed for use by the city, and when the expense thereof will exceed \$~~10,000~~25,000 shall be constructed either:

1. By a contract let by the City Council to the lowest responsible bidder after advertising for bids; or

2. Any such contract may be entered into by the proper officers without advertising for bid, if authorized by a vote of two-thirds of all the Aldermen then holding office.

(b) Public notices shall be published in at least one newspaper of general circulation in the city and shall be published at least ten days prior to bid closing. The newspaper notice required herein will include at a minimum: a brief description of the item to be purchased or sold, where bid blanks and specifications may be secured, the time and place for bid opening and a rejection rights clause.

(c) The Purchasing Office shall also solicit sealed bids from all responsible prospective suppliers, vendors and contractors. The Purchasing Agent shall have the authority to pre-qualify any potential contractor or vendor and solicit sealed bids from them.

(d) The Purchasing Agent shall have the authority to call a pre-bid conference with prospective bidders after draft specifications have been prepared. Such conferences help detect unclear provisions and tend to widen competition by removing unnecessarily restrictive language.

(e) Liability protection shall be sought on service procurement specifications to protect the city from any unforeseen liability or loss. Service procurement specifications shall include a hold-harmless and a certificate-of-insurance clause. The hold-harmless insert requires the contractor or service provider to save and hold-harmless the city from any alleged damage as a result of work performed or not performed. The certificate-of-insurance clause specifies the contractor must furnish a proof of purchase, which indicates the existence of insurance in sufficient quantities to protect all parties in the event of loss.

(f) Bond, with sufficient sureties, in such amount as shall be deemed adequate, not only to insure performance of contract in the time and manner prescribed in the contract, but also to save, indemnify, and keep harmless the city against loss, may be required of each bidder upon contracts involving amounts in excess of ~~\$10,000~~\$25,000 when, in the opinion of the Purchasing Office, the public interest will be served thereby.

(g) All sealed bids shall be publicly opened by the Purchasing Agent of the city, or by an officer or employee in the office of the Purchasing Agent duly-authorized in writing by the Purchasing Agent to open such bids. Bid openings shall be witnessed by a representative of the City Clerk's office and the involved department head or designee. Written notice of all bid opening dates and times shall be forwarded to the City Clerk and involved department head or designee upon bid letting. All such bids shall be open to public inspection in the office of the Purchasing Agent for a period of at least 48 hours before award is made.

(h) Any agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise, shall render the bids of such bidders void. Each bidder shall accompany his bid with a sworn statement, or otherwise swear or affirm, that he or she has not been a party to any such agreement. Any disclosure in advance of the opening of bids, of the terms of the bids submitted in response to an advertisement, made or permitted by the Purchasing Agent shall render the proceedings void and shall require re-advertisement and re-award.

(4) The purchasing designee, with consent of the City Council, shall have the authority to reject any or all sealed or quoted bids.

(a) In determining the responsibility of any bidder, the Purchasing Agent may take into account other factors in addition to financial responsibility, such as past records of transaction with the bidder, experience, adequacy of equipment, ability to complete performance within a specified time limit and other pertinent considerations.

(b) Any and all bids received in response to an advertisement may be rejected by the Purchasing Agent if the bidder is not deemed responsible, or the character or quality of the services, supplies, materials, equipment or labor does not conform to requirements or if the public interest may otherwise be served thereby. If the contract is awarded to a bidder other than the lowest, a written statement of reasons shall be prepared and placed into the public record.

(5) Purchases of materials, supplies and contractual services with the estimated value of less than \$10,000 may be made on the open market without public advertisement, and the requirements of the formal bid procedures are not applicable.

(a) Open market purchases shall be based on three competitive bids, whenever possible, and shall be solicited by mail, phone and bulletin board notice.

(b) Open market purchases shall also be based on the lowest responsible bidder, whenever feasible.

(6) Emergency purchases above ~~\$10,000~~\$25,000 may be made in order to protect life, health or safety of citizens. Those permitted to purchase emergency materials shall be department heads and they shall be required to submit a monthly record of emergency purchases. All emergency purchases must be approved by the City Council as required by state law.

(7) Notwithstanding the foregoing, architects, engineers and land surveyors shall be contracted in accordance with the Illinois Local Government Professional Services Selection Act (50 ILCS 510/1 *et seq.*).

(8) Disposition of surplus, obsolete or worn-out material or equipment for sale, shall be done by the Purchasing Office in conformance with competitive conditions, including when necessary, newspaper advertising and sealed bids. Items valued at \$10,000 or less may be sold by Purchasing. Items valued greater than \$10,000 must be approved for sale by the City Council. The sale or trade of vehicles, regardless of value, must be approved by the City Council.

(9) All contracts to which the city is party shall contain a non-discrimination in employment clause which provides, "The contractor shall not discriminate against any employee or applicant because of race, creed, sex, color or national origin throughout the contract period".

(10) The purchasing designee, or authorized representative, shall assist in the inspection or supervise the inspection of all deliveries or contractual services to determine adherence to advertised specifications.

(11) The purchasing designee shall be vested with the authority to require the prompt reporting and subsequent reassignment of any surplus materials, supplies or equipment. These transfer capabilities include, but are not limited to, obsolete items, surplus items and items no longer in use.

Section 3. That conflicting Ordinances or pertinent portions thereof in force the time this takes effect are hereby repealed.

Section 4. This Ordinance shall be in full force and effect from and after its passage, approval and publication, in pamphlet form, all as provided by law.
