jmeyer@belleville.net

Dear Valued Business Owner:

As you know, the City of Belleville is dedicated to making our community a great place to live, work, shop, and conduct business, each and every day. With this in mind, the City of Belleville is participating in the final year of the Community Showcase Banner program.

This program will reinforce our Belleville brand, while brightening and invigorating our City in every direction. These banners, designed exclusively for Belleville, will showcase America's 250<sup>th</sup> Anniversary, our community's economic vitality, and the support of our local businesses along the way as well.

A representative from Community Showcase Banners will be contacting you to discuss the streetscape banner campaign. We encourage you to consider participating in this program, as it provides an exciting new opportunity to highlight community pride, while giving business owners the opportunity to market themselves all throughout our Great. Big. Small Town.

To learn more about sponsorship opportunities, please visit the website below, or you can reach out to our community's program manager directly:
