

# REQUEST FOR INFORMATION

The City of Belleville is accepting information from interested contractors in regards to window replacement at the City of Belleville Carnegie Library, located at 121 East Washington Street.

## SCOPE OF WORK:

-  Approximately 54 windows will need to be replaced as close to exact match of existing window casings.
-  Approximately 21 windows will need to be replaced on Building addition

*The Belleville Public library celebrates 190 years of serving the Belleville Community in 2026. Industrialist Andrew Carnegie provided the funds in 1913 via a grant to construct the library, and the building opened at its current location on E. Washington in early 1916.*
