INTRODUCTION.

In presenting our book we assure you that we have used our best endeavors to be as near accurate as possible, and believe you will find it satisfactorily correct. We have as a result of careful labor, 1875 more names than was in the last issue of 1890, giving in this 8575, and using 2 1/2 as a multiple we find the population 21,137.

Trusting that our work will prove satisfactory and thanking the business people for their liberal patronage, we remain,

Yours truly.
