N ALL the lines of goods we carry, we excel in the qualities, and we guarantee you lowest prices. Whenever we advertise a Special Sale in our space in the daily papers, you should make note of it and take advantage of it. It will pay you to do it.

It is qualities we furnish you and if you want to economize, you cannot afford to experiment. You want to buy where you know qualities and prices are right.

Our Carpet Department is especially well equipped. Our workmanship here is superior: We have a great many patterns in Carpets, Linoleums, and even in Lace Curtains which are confined to us and are only to be had of us.

We are the sole agents for the celebrated Redfern and Worth Ladies’ Suits, Jackets and Skirts, famous for the excellent material they are made of, and wanted again by all who have bought them before, because the cut is right and the fit superb.

PUBLISHERS AND COMPILERS
411 Brown Building, ROCKFORD, ILL.

187635
N PRESENTING our fifth edition of the Belleville directory to the public, we wish to thank our patrons for the liberal patronage accorded us. That our work has been satisfactory is evidenced by the fact that the same firms who were represented in our first issue will be found in this, our fifth one. Seldom, if ever, have the substantial business concerns withheld their support, and this, in itself, is proof that we have given good service.

Notwithstanding the unusual financial conditions of late, Belleville is in as good shape as any city in the state of similar size; a population of 25,500, the large majority of which consists of as home loving and law abiding citizens as can be found anywhere, is a sufficient pledge that the future of the city rests on a secure foundation.

When a new directory becomes necessary for the city we trust our old, and many new patrons, will recognize the fact and as cheerfully aid us as on the present edition.
